

Make reservations now to attend the Missouri Dairy Profit Seminars, February 19-23, 2018, sponsored by the Missouri Dairy Association and the University of Missouri.

FEATURING

KEYNOTE SPEAKER Jeff Bewley

Jeffrey Bewley is from Rineyville, Kentucky where he grew up working on his grandfather's (Hilary Skees) dairy farm. He received a B.S. in Animal Sciences from the University of Kentucky in 1998. In 2000, he completed his M.S. in Dairy Science at the University of Wisconsin-Madison under the direction of Dr. Roger Palmer. His PhD work under Dr. Mike Schutz at Purdue University focused on the application and economics of Precision Dairy Farming technologies. For nine and a half years, Jeffrey was extension dairy specialist at the University of Kentucky. Jeffrey is currently Support Manager for BoviSync, LLC, a dairy herd management software provider and a partner in CowFocused Housing, a consulting business for dairy facilities.
